ABOUT SPONSORSHIP

ABOUT SECTION

Welcome to IEEE Kode Kurrent - Season 1, hosted by IEEE RGIPT at the Rajiv Gandhi Institute of Petroleum Technology! This is where innovation meets adrenaline. Engage in a stimulating environment of coding, collaboration, and ingenuity as you address challenges within advanced technological domains.

Kode Kurrent 2024 highlights two key events :

24-Hour Hackathon

A high-energy coding marathon where participants from diverse backgrounds come together to ideate, design, and develop solutions to real-world problems. Problem statements will be provided, challenging participants to unleash their technical prowess, creativity, and teamwork.

VLSI Workshop:

Explore the intricate world of Very-Large-Scale Integration (VLSI) technology through a comprehensive two-day hands-on workshop tailored for electronics enthusiasts, providing practical insights into semiconductor design and fabrication.

In addition to these flagship events, the two-day extravaganza will include an engaging cultural night and unique entertainment segments, alongside networking opportunities, creating a well-rounded celebration of technology and innovation.

Join us to experience the excitement of innovation, collaboration, and learning!
